A persistent fever (38.8C or higher), unexplainable rashes, vomiting, diarrhea, cough or pink eye, or is too ill to enjoy Before & After School Care activities.

Program staff reserves the right to refuse attendance of a child who appears to be too ill to participate or who appears to have a contagious condition.

During the program, if your child becomes ill, our staff will follow these procedures:

- 1) Contact the parent(s) or guardian listed on the registration form.
- 2) If the parent(s) or guardian listed on the registration form cannot be located, arrangements will be made to contact the alternate persons listed.

Sunscreen and Hats

Please send sunscreen and a hat with your child during the warm months. Reminders will be sent home.

Discipline Policy

1. Discipline is based on safety.
2. A child is not allowed to hurt them self or others.
3. Children are given clear, simple, consistent limits regarding appropriate behaviour.

4. Choices are offered whenever possible.
5. Verbal direction and re-direction are the main means of guidance and discipline.

At all times children will be treated with respect. Their feelings will be acknowledged and accepted, and they will be encouraged to talk about their problems in a non-threatening supportive environment.

If it is necessary to use a 'time out' or break, children will not be removed to an unsupervised area. Children are supervised at all times.

If a child is in physical danger to self or others they will be removed from the situation to protect the child until self-control is regained.

Under no circumstances is physical punishment used.

If a child is unable to co-operate in a program, staff will meet with parents to resolve the situation and at that time a letter may be sent to the parent/guardian in follow up to the discussion. If there is no satisfactory improvement in the child's behaviour, Camp Pringle may terminate care.

Accidents

The first priority is the safe care and treatment of the children. In the case of an emergency, accident or illness, Camp Pringle will phone an ambulance and a staff person will accompany the child to the hospital.

If a child is not at the designated pick up location and we have not received a message on the Before & After School Care message line (see page 5) to inform us that your child will not be attending the care program that day, the following lost child procedures will be initiated:

1. The leader will try to contact the parents at work/home.
2. Alternate contacts will be called to find any information regarding the child.
3. The leader will call the school office.

4. If the child still cannot be located after the above steps have been taken, the police will be contacted.

The Failure to notify of absence fee will be charged after the second offence as outlined on Page 14.

Persons Authorized to Pick up and Emergency Contacts

Staff will not dismiss your child to anyone but a parent or guardian and they must be designated on your registration form. The parent or guardian is required to notify staff **in writing** if someone other than the parent or guardian will be picking up the child. If arrangements have been made for an alternate person to pick up your child, ID must be presented upon pick up.

Emergency contacts must be kept current and should consist of family members or friends who are available to pick up your child (if you are unable to be contacted). In the event of an emergency, we must be able to contact someone to whom we may release your child.

Sign-out Sheet

When picking up a child, the sign out sheet must be initialed by the authorized pick-up person.

Custody Issues

If a custody or court order exists, a copy of the order needs to be placed in the child's file. The guardian is responsible for providing accurate up to date information concerning the legal guardianship of the child. Without a custody or court order on file, the caregiver cannot deny access to the non-enrolling parent. If the non-enrolling parent is not listed on the authorized pick up list, the policy on unauthorized persons will be implemented. The legal guardian must provide all consents.

Situations Requiring Assessment

If a person is authorized to pick up a child and is incapable of safe care the staff will:

1. Assess the situation.
2. Contact the other parent as an alternative.
3. Contact the emergency contact person as an alternative.

If a person authorized to pick up a child is incapable of safe care and insists on taking the child, the staff will call the police.

If no one arrives to pick up a child by 6pm, the staff will:

1. Contact the parent or emergency contact(s).
2. If no contact can be made, contact the Ministry of Children and Families.

If an unauthorized person requests the release of a child, the staff will:

1. Not release the child.
2. The child will remain under the supervision of staff and they will explain to the unauthorized individual the policy that no child will be released without written authorization by the parent or guardian.
3. Contact the parent or legal guardian for written confirmation that this person present is allowed to take the child. The parent can fax in a request, but the signature must be compatible with the one on file on site.
4. Make all reasonable efforts to ensure the safety of the child and other children.
5. If necessary, the police will be called for assistance.

We promote healthy eating and nutritional habits at Camp Pringle. Safe drinking water is available for all children at all times and we encourage them to drink as much as they would like. We will provide a healthy and nutritious snack every afternoon consisting of a variety of food choices; however, if your child has severe nutritional requirements, please ensure that you send extra food in your child's lunch kit daily to compliment the snack that we offer. Camp Pringle has nut awareness zones to help with any potential allergies children may have. Please be aware what you are sending with your child and at all times possible send food that does not contain nut products.

Sunscreen Guidelines

Children must bring their own sunscreen to before and after school program due to individual sunscreen allergies or preferences. Children must apply their own sunscreen.

Late Pick Up

Please phone the leader as soon as possible when you are going to be late to pick up your child. If a parent/guardian has not picked up a child or called by 6:00pm, the staff will try to contact the family and then the alternative person(s) from the authorized pick up list. If that person is unavailable and the parent has not contacted the caregiver 20 minutes after the site closes the staff is required to notify the Ministry of Children and Families. If late pick up becomes a problem, you will receive a warning letter. Appendix A: Spacial Exemption

Attention: Out of School Care Families

Re: Notice of Camp Pringle's spacial exemption

Facility Number: SEAT-APTTEG

Please be advised Camp Pringle has an exemption to the Childcare Regulation regarding washroom access for the Out School Care children. Camp Pringle has a termed exemption till December 31, 2018 to use the two washrooms in the Grace building.

To ensure proper supervision of the children while using the two washrooms in the Grace Building a Supervision plan has been put in place. 1 staff will be working for every 12 children attending in the Spencer building program. Staff ensure safety of children leaving the Spencer building and using washrooms in the Grace building by standing at the door of the Spencer Building. With combined supervision, cones will be set up at the end of the breezeway to not permit children to go out to the play area while crossing the 18 feet breezeway to Grace to use the additional washrooms.

Please be advised physical boundaries are in place to ensure the children's safety. With combined supervision, cones will be set up at the end of the breezeway to not permit children to go out to the play area while crossing the 18 feet breezeway to Grace to use the additional washrooms.

This letter is to inform parents of children enrolled in the School Age program about the spacial exemption.

No one else may be in the Grace building while the licensed program is running for the children, who are accessing the two washrooms.

The exemption information is posted in the Spencer Building for parents to read and it will be shared with future families.

This exemption will not negatively impact the health and safety of children in care as we have an established supervision and physical boundary plan in place.

Appendix B: Transfer of Care Policy

Camp Pringle Transfer of Care Policy

Please be aware, Camp Pringle's Transfer of Care Policy protocol.

Your child is in the School's care once they board and until they disembark the district school bus at Camp Pringle. If for whatever reason, your child does not disembark from the district school bus at Camp Pringle and we have not received a call from you that your child is away, Camp Pringle staff will immediately respond to this as a "Lost Child" emergency. Camp Pringle After School Care staff will call you and everyone on your contact list to find out where that child is. If they are not able to reach someone on your call list, the school will be called and then the police to find your child and or reach someone that knows where your child is.

Please ensure that you contact the OSC cell phone, 250-466-5723 prior to 2pm if you child is not attending on any given staff to avoid a "Lost Child" emergency response from our staff.
